
2021 CONFERENCE DOCUMENT

The following emergency motion is submitted for consideration of the Annual General Meeting:

Short Title: EM 2
Napo, Covid and Health and Safety

It was announced at the NEC meeting of 08/09/21 that the post of Napo H&S Official was not being renewed. This has left Napo without a named, qualified H&S lead.

With the pandemic ongoing and the Probation and Family Court employers rushing to return to 'normal' working practices, it has never been more important to have a strong lead in place to support local H&S and Covid reps.

This AGM calls on Napo to:

- put a named, qualified H&S lead in place as a matter of urgency to lead on Covid safety awareness and campaigning so that the highest standard of safe practice can be achieved in the workplace;
- reinstate regular H&S meetings for Covid reps so Napo can network and provide a united front across the Union.
