A £25 gift voucher reward is limited to the first 300 applications received at Napo Head office by the 31 December 2019.

Any applications received over the 300 limited will receive exclusive Napo Merchandise as an alternative reward.

This offer is available to members who inform us within one month of their friend joining the union.

Rewards will be dispatched once the new recruit has been a paid up member for three months or more.

Members who are in arrears will be unable to claim their reward until their membership has been brought up to date.

Recruiters are able to claim one reward in a three-month period – a maximum of four rewards over 12 months.

The Napo Recruit a Friend scheme is designed to encourage lay members to become activists. For this reason the following people will be excluded from the scheme: Napo staff, National Officers and Branch Chairs, Vice-Chairs, Convenors, Secretaries, Treasurers and Membership Secretaries.

Members who recruit a friend will be added to the Napo ACTIV8RS mailing list and will receive information about future training events, activities and other useful resources. You can unsubscribe from this mailing list at any time.

Napo HQ decision on the eligibility or interpretation of any part of this scheme will be final.
