

- 1 Challenge racism, and report racist incidents when I witness them.
- 2 Listen to those who have experienced racism to better understand their lived experience.
- 3 Familiarise myself with the race policies of Napo and my employer.
- 4 Understand my 'Positionality': Positionality is the social and political context that creates your identity in terms of race, class, gender, sexuality and disability. Positionality also describes how you identify influences and potential biases.
- 5 Be a champion for raising awareness on anti-racism.
