

AMENDMENTS TO MOTIONS

Further to the Notice of Proposed Motions and Constitutional Amendments AGM 02/2020, amendments received by the closing date of 12 noon on Wednesday 23rd September are set out below.

1. Amendment to Motion 31 - NPS Disciplinary Policies

In 2nd paragraph after 'resolves to' delete 'produce an overhaul of the procedures' and replace with "request a review of the policy and guidance" and delete all after 'comprehensible'.

2nd paragraph now to read:

This AGM therefore resolves to request a review of the policy and guidance in order to make them clear and comprehensible.

Proposer: Katie Lomas

Seconder: Siobhan Foreman

2. Amendment to Motion 22 - Dyslexia

In the 2nd paragraph after the second sentence add:

Neurodiversity is new terminology for dyslexia, development coordination disorder (previously known as dyspraxia), dyscalculia, autism spectrum along with attention deficit and hyperactivity disorder (ADHD).

In 2nd paragraph delete 3rd sentence and replace with:

AGM therefore instructs Officers and Officials to work with all employers to promote neurodiversity training (where available) and spread awareness and to report back at the next AGM.

2nd paragraph now to read:

Last year AGM passed a motion committing Napo to promoting dyslexia training throughout the MoJ. We are not aware that anyone has done anything about it. Neurodiversity is new terminology for dyslexia, development coordination disorder (previously known as dyspraxia), dyscalculia, autism spectrum along with attention deficit and hyperactivity disorder (ADHD). AGM therefore instructs Officers and Officials to work with all employers to promote neurodiversity training (where available) and spread awareness and to report back at the next AGM.

Proposer: Katie Lomas
